

## Relief Printing with Beth Atkinson

### Materials List

#### Carving Tools:

It is important to invest in high quality carving tools. The following carving tools can be purchased from [www.leevalley.com](http://www.leevalley.com)

- One Japanese Detail Carving Tool Set - #44D10.05 (set of 5 tools in plastic case) Available from Lee Valley Tools (look under Woodworking > Carving > Hand Carving > Carving Tool Sets on the website) at [www.leevalley.com](http://www.leevalley.com).
- One 1.5mm #11 U-gouge - #44D10.15 (This is a very fine tool for making tiny marks – important to have.)
